“All Reasonable Efforts”

UME Counties and Educators should document efforts to notify, reach and include as participants, minority individuals in Extension conducted or sponsored programs. When:

**Definition:**

“All Reasonable Efforts” are defined as the minimum efforts required of County/City Extension Faculty to integrate all Extension educational programs conducted in interracial areas.

**When Required:**

1. “All Reasonable Efforts” (ARE) need to be documented when Extension program initiative/s, including individuals clubs, located in an interracial community do not reflect the racial composition of the community as defined in sections II and III of this document. i.e. not in parity.
2. Document ARE when new clubs are formed, “all reasonable efforts” must be conducted and documented prior to formal organization of the club.
3. “All Reasonable Efforts” are conducted to integrate all Extension sponsored meetings and committees.
4. ARE is done to document efforts to involve minority groups in UME program initiative/s.

Responsibility: Educators should maintain documentation in their program files.

**All Reasonable Efforts Documentation:**

Because every initiative and club is different, there is no single way to document “All Reasonable Efforts”. However, the chart below shows some common documentation that an Educator should keep in order to record efforts made to ensure minority participation in initiatives and clubs. The chart may be used by the Educators to document ARE’s. Educators should also maintain samples of program materials such as new releases, agendas etc. These items are subject to review as well as any other documentation to confirm that ARE’s were made to reach potential clientele.

We respectfully request your understanding in this matter and assure you that we appreciate your continued cooperation.

Instructions: Please submit a complete AA-4-H4 to the Extension office once a year. Be sure to complete both pages – the checklist and the questions.

All 4-H clubs and activities are open to all youth and volunteers and seek to be inclusive and welcoming to everyone.

Volunteer leaders and 4-H members are asked to assist in making contacts and in helping promote the 4-H program. This checklist has been developed to assist clubs in identifying efforts made to reach out to diverse youth and to publicize 4-H activities widely and in new places.

Please make sure that you are using a short media statement on all your posters, fliers, program announcements, etc.

“Equal Access Programs”

And, that you are including an “accommodation” or “modification” statement in most cases:

If you need assistance to participate in this program/meeting, please contact (Name and number) by (date – 2 weeks before your event).

(Si tiene una incapacidad que require ayuda especial para su participación en la reunión/programa, por favor comuníquese con nosotros (name,agency, office) al este número (telephone number) antes de que (date).

Generally, two weeks before the event is enough time to arrange a program modification, such as an interpreter, based on any request you get.

If you have any questions about what do include on the form, ask your 4-H contacts at the Extension office. Please include all your efforts to publicize your club activities and to reach out to all kinds of kids.
