LAND USE - **Effective Spring 2010**

Sample Graduation Plan

Reviewed 4/22/11 - WW

- NOTE: This worksheet is for use as an advising tool to help you prepare your own graduation plan. It will necessarily be modified depending upon when you declare this concentration, and depending upon course scheduling/availability. You should discuss your plan regularly and modify it as appropriate in consultation with your advisor during pre-registration advising.
- *If you are interested in minoring in GIS, consult with Dr. Luna in the Geography department ASAP. Only 6 credits may overlap between major and minor requirements.*

Fall 1	Cr	Spring 1	Cr	SS I	Fall 2	Cr	Spring 2	Cr	SS I
