During an Internal Program Assessment (IPA), Washington County volunteers consisted of individuals from such unique programming and allowed them a safe space for developing relationships and an enrichment, and equality. Youth Development Programs range from ages 5 – 19; however, educators in this county accessed the playing field and exemplifies equal access.

Deliver programs and research information to the public? Receive grants and funding from various agencies to deliver educational programs? If you answered “YES” to any of the questions posed, then you could be impacted by the Federal Family and Medical Leave Act (FFCRA) which was enacted by the Coronavirus Aid, Relief, and Economic Security (CARES) Act during the COVID-19 pandemic.

The FFCRA created two-weeks of paid sick leave for childcare and other leave related to the coronavirus; and (2) leave for a family member to care for children because of school and childcare closures as a result of COVID-19; (2) leave to care for a child for personal health and safety is paramount to the current pandemic has rearranged our work, and how we work. New federal laws, regulations, and state regulations, and UMD policies are being developed as we read this newsletter, and old things, redefined where we work, when we work, and or translators?
