

UNIVERSITY CAREER CENTER @ AGNR

Agriculture and Natural Resources Employer Information Guide

ABOUT AGNR

The University of Maryland, is a top-ranked public research institution that is the flagship campus of the state's higher educational system. The College of Agriculture & Natural Resources embodies the University's land-grant mission with a commitment to eliminate hunger and malnutrition, preserve our natural resources, improve quality of life, and empower the next generation through world-class education.

UNDERGRADUATE MAJORS

Our academic programs adequately prepares students for diverse careers within agriculture and natural resources. Students gain theoretical knowledge in the classroom and gain key skills through experiential learning opportunities such as internships, undergraduate research, and study aboard.

- Animal and Avian Sciences
- Agricultural & Resource Economics
- Agricultural Science & Technology
- Environmental Science & Policy
- Environmental Science & Technology
- Nutrition and Food Science
- Landscape Architecture
- Plant Sciences
- Institute of Applied Agriculture (*two-year certificate program*)

For detailed descriptions of our academic departments visit <https://agnr.umd.edu/academics/programs-study>.

INDUSTRIES OF INTEREST

Our students are interested in a wide variety of fields and industries. They are excited to explore career opportunities including but not limited to:

Advocacy/Lobbying | Agribusiness | Agricultural Production | Agronomy/Plant Science | Animal Care & Management | Conservation | Consulting | Environmental Science & Research | Food Access & Security
Food Science & Safety | Health Care Administration | Landscape Architecture | Ag/Environmental Law
Landing/Finance | Non-Profit/NGOs Management | Nutrition & Dietetics | Public Policy
Sustainability | Veterinary Medicine |

WAYS TO ENGAGE

We offer many ways to engage with our students through hiring events or volunteer opportunities

AGNR STUDENT DISCOVERY & INNOVATION NIGHT

The Student Discovery & Innovation Night highlights student innovation and learning experiences. Undergraduate students showcase and articulate their academic knowledge, professional skills, experiential learning, and entrepreneurial spirit to faculty, staff, alumni, industry professionals and graduate school advisers.

INTERN FOR A DAY PROGRAM

Intern for a Day is a half-day job shadow experience that allows UMD students to connect with alumni, employers and community partners to explore potential career fields and the world of work. Intern for a day is offered three times in the academic year - fall and spring with hosts located in Maryland, DC, and Virginia and during students' winter break in New York City.

CAREER FAIRS

Career Fairs are a great way for organizations to connect with UMD students and build brand on our campus. The University Career Center hosts a number of fairs during the academic year to meet your recruiting needs. To learn more about our career fairs, visit <https://careers.umd.edu/employers/recruit-campus/career-fairs-events>

NETWORKING EVENTS

Many departments and programs within the College host their own department specific networking events that employers and alumni can participate in such as ANSC Career Expo, ENSP Career Exploration Night, and Nutrition and Food Science Resume Critique Night.

CAREER PANELS

Career panels are ways for employers and alumni to share their work experience, industry knowledge, skills and offer advice to students.

PROFESSIONAL PREPARATION WORKSHOPS

Assist with our educational programming by sharing your expertise on a professional topic with students. Topics can include information on application materials, interviewing, networking, or a skills students will need to know to be successful in the workplace. Presentations can be workshops or invited speakers to courses.

CAREERS4TERPS

Careers4Terps is our online career database management system that allows employers to post opportunities, browse resumes, and register for upcoming events. <http://careers.umd.edu/employers/hire-students-alumni/post-jobs-internships>
